

Bicycle Rack Options

This list has been compiled by the Ontario By Bike Network. It is intended to provide information to Network participants on a variety of bicycle rack options. When investigating options consideration should be given to: placement location, duration of parking, frequency of use, quality of system, maintenance, and budget.*

We also have this sheet available: www.ontariobybike.ca/bikeparking

An additional suggested resource is the Ontario Traffic Manual Book 18 – Cycling Facilities, December 2013. Bicycle parking facilities are covered in detail pages 173 to 179, providing technical information and recommended guidelines for bike parking facilities.

Download PDF at: [Ontario Traffic Council - OTM 18 Bicycle Facilities](#)

Advantage Bike Racks – supply bike racks, lockers and security fencing for bikes.

Barco Products – Toronto business (not a retail location). Products include Commercial Bike Racks, Stands and Ring and Post. Call 1-888-470-5497.

The Bicycle Parking Company – Products include Commercial Bike Racks, Lockers, Cages, Public Repair Stands, Bike Room Design and End of Journey Stations. Not a retail location, call (647-931-0800) for appointment or more information.

Beyond the Garage Door has an amazing array of bike racks, lockers, and other bike storage solutions for residential and business properties.

Bike-Up is a well-known company in Nepean, Ontario with racks installed across Ontario. See the attached pricing sheet

Build your own

Handy carpenters can search the internet for instructions on how to build bike racks.

Examples:

Attached you can follow the instructions from [Universal Forest Products](#) on making your own bike rack.

[Georgia Pacific - Projects Centre \(sports\)](#)

[Words and Wood Basic Bike rack instructions](#)

Metal workers can design an original looking post and rack system that suits your location. See attached for example.

Cora Bike Rack – make the secure Expo Bike Racks.

Call 1 (800)-739-4609 or visit [Cora Bike Racks](#)

Dero in Minneapolis, MN manufacture commercial and custom designed bike racks, lockers and shelters. Deros have been supplying municipal and landscape architects across Eastern Canada for the past 9 years. See the attached listing for a sample of their product line.

Global Industries have a range of bike racks and bike storage solutions including double-decker bike racks. For prices and more information call 1 (888) 645-0878.

Lowes stock the ProStor 2 bicycle floor stand. This is a light weight structure not recommended for long term parking and not suitable for high end road bikes due to 'wheel bender' loading style. These structures need to be secured to ground – hardware not supplied. It is pictured in attachment below. See [Lowes](#) for nearest location.

Mountain Equipment Co-op sell the [Swagman City Series](#) bike racks as well as other options for secure lock-up. Shop on-line or visit their website for [store locations](#).

Northern Cycle carry the Saris Mighty Mite Parking Rack Upright, a metal bike rack holds up to 6 bikes and comes in a box, easy to assemble. Email sales@northerncycle.com or call 1 (905) 619-8875 for more information. Information sheet attached.

Parco Products carry a range of bike racks for residential, commercial and municipal use.

Rack Attack carry bike racks and bike stackers suitable either for residential or for commercial use. Shop online or call 1 (888) 77-RACKS (72257)

Racor make a range of bike storage options. You can find their [PBS – 2R Two – Bike Floor Stand](#) on [Amazon.ca](#)

Reliance Foundry Co have some very innovative and good-looking bike racks. Contact them directly for pricing and further information. Telephone: Toll Free: 1 (888) 735-5680

Sport Systems Canada – carry a decent range of racks and lockers. Call 1 (877) 600-4667 for information or to order.

Trystan Products supply bike racks to fit the high security U-shaped locks. You can download a pdf brochure from their website or telephone: 1-(877) 348-5845

Urban Bicycle Parking Systems - BC

Call for pricing – 1-(888) 717-8881 - 10% discount if mentioning Ontario By Bike / Welcome Cyclists Network

Zoom Leisure

Quality steel built, custom or order. Niagara-on-the-Lake
Some cyclist view these types of racks as 'wheel benders', should the bike fall over whilst in the rack. Call at 1 (905) 468-2366 or email zoom@niagara.com . Also see attached pricing sheet.

UNIVERSAL FOREST PRODUCTS

Bike Rack

Materials You Will Need

- 10' of ProWood® 2 x 4
- 15 Deck Necessities® Balusters
- One Box Of 2" #6 Galvanized General Purpose Screws
- One Box Of 1-1/2" #6 Galvanized General Purpose Screws

Tools

- Drill
- screw driver
- saw
- tape measure

1. Assemble The Frame

Measure in 6" from one end of both 33" side boards.

Place one of the 24" frame pieces at this mark to allow for a 6" overhang.

Place the other 24" frame piece flush with the other end of the frame side pieces and attach.

2. Assemble The Wheel Guides

Put the wheel guide balusters on the bike rack frame as shown. Note: You can adjust the space between the wheel guides to accommodate your tire widths (standard spacing is around 3").

3. Strengthen The Wheel Guides

Attach a 24" baluster underneath the peak of all four wheel guides.
