SAME ROADS - SAME RULES SAME RIGHTS

Great that Kawartha Lakes is a rural area, most of our roads are two-lane roads which means cyclists and motorists will be sharing the road. Here are some tips to help you and your fellow cyclists stay safe on the road.

Bicycles are considered vehicles under the Ontario Highway Traffic Act, and have the same rights and responsibilities as other vehicles on the road. Bicycles are not allowed on the road if they are not in compliance with the law.

Do your part by being a good ambassador for bicycling.
