2019 Cycle Tourism Conference

Ontario By Bike and **Transportation Options** are proud to announce Canada's 4th Cycle Tourism Conference and full-day event to be held in downtown Toronto on March 1, 2019.

The 2019 conference will include international, Canadian and Ontario speakers and experts covering many aspects of cycle tourism best practises in their respective jurisdictions.

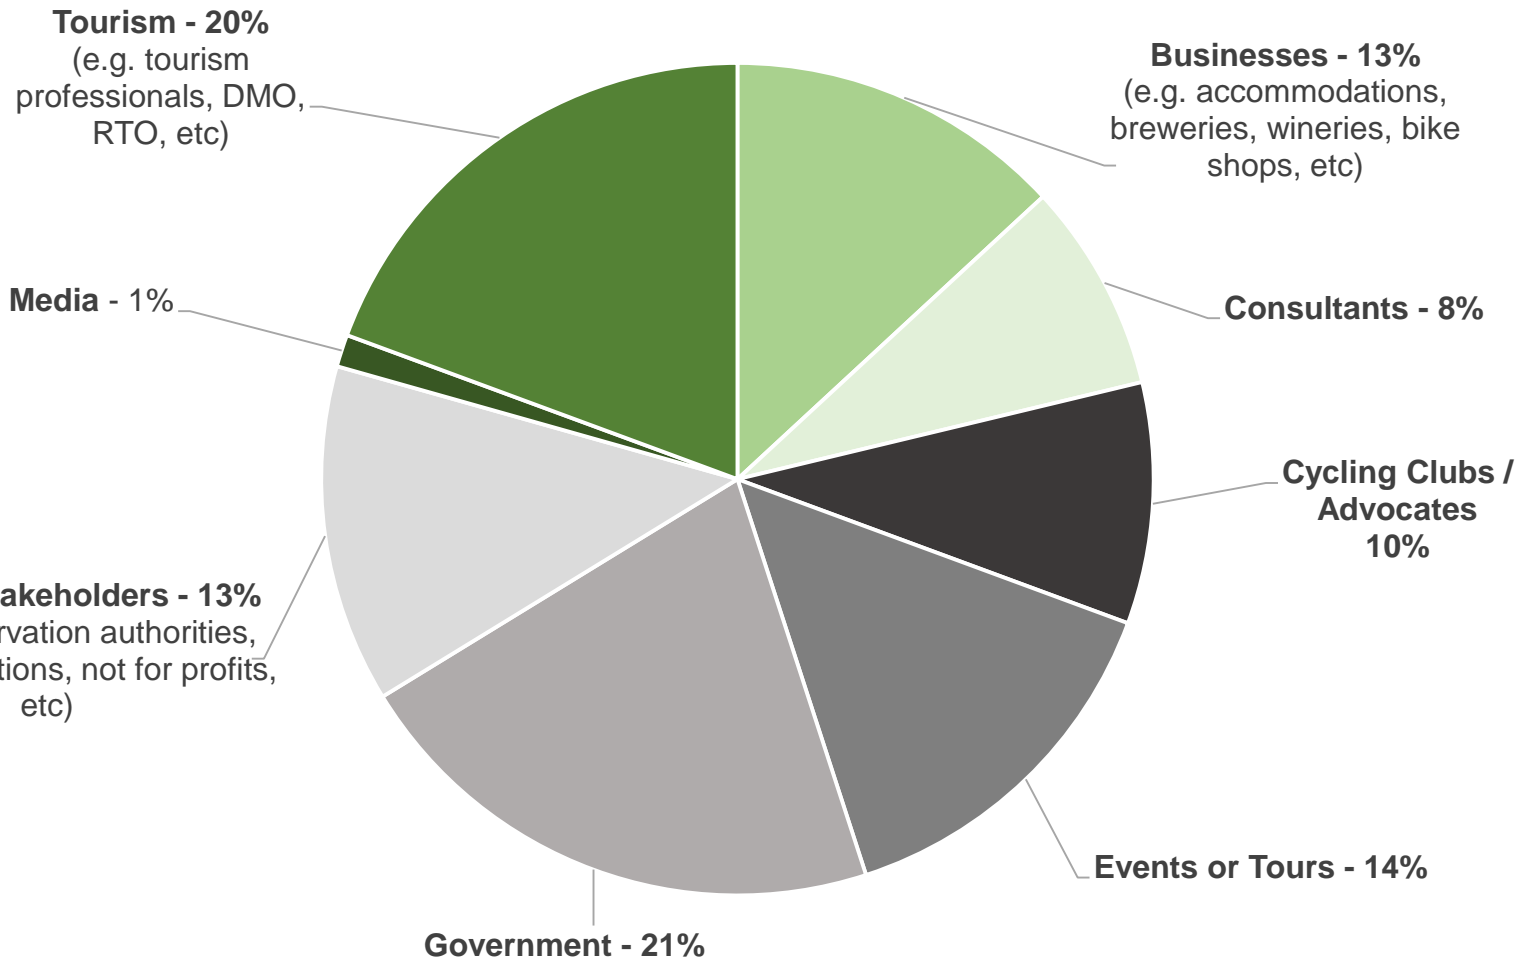

Presentation formats will include plenary (key note and/or panel discussions), concurrent sessions, interactive exercises and more.

2019 Cycle Tourism Conference Theme & Key Pillars:

- **Conference Theme:** Destination Bike
- **Key Pillars:** Developing | Marketing | Serving | Measuring

Who Attends*

Why Partner with the Conference

Cycle tourism continues to grow in Ontario and has become a half a billion dollar a year industry!*

Becoming a partner with the Canada's 2019 Cycle Tourism Conference provides you with a platform to make intimate business connections with leaders, businesses and important stakeholders in this growing tourism sector.

Benefits of participating as a sponsor include:

- **Logo inclusion** on media, marketing and information documents distributed extensively across Canada
- **Showcasing your products and services** to a wide array of decision makers in the tourism, transportation and bicycle industries
- **Networking and doing business** with an estimated 175 tourism, transportation and bicycle industry professionals from Ontario, across Canada, USA and overseas
- Developing stronger relationships and **creating new partnerships** with destination marketing and regional tourism organizations
- **Building brand equity** with key influencers in cycle tourism development
- **Being recognized** for showing a commitment to strengthen and support cycling and the growing cycle tourism sector.
- Receiving **complimentary registration** to attend the 2019 Cycle Tourism Conference

Conference Coordinators & Contact

The 2019 Cycle Tourism Conference is being coordinated by Ontario By Bike, a program of Transportation Options. For over twenty years, Transportation Options, a not for profit organization, has been dedicated to fostering sustainable mobility and tourism solutions across Ontario.

Transportation Options has coordinated a number of significant conferences in the past, including two cycle tourism conferences ([2016](#), [2013](#) and [2009](#)).

We are pleased to be affiliated with the Toronto International Bicycle Show (March 1-3, 2019) and recognize our primary funding partner the Government of Ontario, Ministry of Tourism, Culture and Sport.

We invite you to partner with us!
