ONTARIO BY BIKE RIDE
TRENT SEVERN TRAIL TOUR

What You Need to Know & Ride Details
THE ESSENTIALS

Total Distance: 119km
Suggested Ride Time: 2 days, 1 night

Experience Level and Ride Guide: Easy to moderate. This route is almost entirely on off-road unpaved multi-use trails, with limited on-road connections. Suitable for hybrid and mountain bikes, as well as cross or gravel bikes, or road bikes with wider tires.

Your Bike: Ensure you arrive to start with a bicycle in good working order, appropriate outer-wear for conditions, and refreshments. Helmets are strongly recommended. Bring a lock so you can stop along the way. Please note, our Day 1 morning is on a portion of rail trail that is fairly rough due to ATV use – hybrid bikes, mountain bikes, gravel, and only road bikes with wider tires are suitable.

Ride Start Location & Parking: Campbellford is located approximately 2 1/2 hours from downtown Toronto, 1 1/2 hours from Kingston, 3 hours from Ottawa. Campbellford is located approximately 30 minutes north from Brighton/Hwy 401.
Arrange and obtain permission for overnight parking. We parked at the Lawn Bowling Club, opposite 64 Trent Drive, Campbellford – contact Town of Trent Hills or Trent Hills Chamber of Commerce for assistance.

Getting To/From Start: This is a **one-way linear route** – you will need to arrange your own transportation back to start location. Options include dropping off a vehicle at either end; have someone pick you up; take a taxi; rent a bus for passengers / van for bikes; ride to/from start and finish; ride and return to same start location daily; take GO Transit to Peterborough, ride and return to same start location.
